Nashville: HEEHEHHEHEHEHEHEHEEHEEHEHEEE!!!!!

Snippy: I'm hungry.

(Instantly a burger appears)

Snippy: Yum!

(eats it)

Snippy: Man, that's some good burger. You know some good burger when you see it. This some good burger.

Ry: What are you doing?

Nashville: We're experimenting with Snippy's inator.

Ry: Sounds like fun!

Nashville: Wish for something.

Ry: Okay! Can I have a pair of roller-skates?

Inator: Wish 1 of 3 granted. Kazooka!

(Ry skates along to Skater's Waltz)

Ry: That was nice.

Inator: Thanks.

Ry: Hey, can we wish for an infinite amount of wishes?

Inator: No!

Dod: How about more genies?

Inator: No!

Nashville: Can we…

Inator: NO! Now stop asking or you're not gonna get your wishes!

Ry: I wish for a clone of me!

Inator: Wish 2 of 3 granted. Kazooka!

(Later that night, a laser hits his buttcheeks)

(His butt grows off his body and grows legs)

(The next morning)

Ry: Good morning! Hey, my butt feels funny.

Nashville: Ry, what happened to you?

Ry: What is it?

Nashville: You might wanna look behind you...

(Ry turns around)

Ry: WHAT HAPPENED TO MY BUTT?!

Inator: Maybe the inator has some bugs I need to fix.

Ry: Hi, what's your name?

Butt: April Zen Ponanner.

Ry: April Zen Ponanner? Uhh, I'll just call you April for short.

(Later, Ry and April go for a walk)

Walking lady: Uhh, who is that?

Ry: This is my butt, named April.

Walking lady: Uhhh, I can't believe I'm waving to a butt.

Walking man: Uhh, we should be on our way Krispy.

Krispy: You're right Dale.

Ry: Ok, let's go April.

(Later)

Ry: April, this is the Empire State Building.

(April grabs a citizen and hits them up)

Ry: April, no!

Ry: Down, boy!

(April sits down.)

(Later)

Ry: OK, April. Maybe you should stay in the basement.

(April nods)

Ry: Good

(Later)

Nashville: So. How was your day today?

Ry: It was very busy.

(In the background, April can be seen drinking a chemical. The others don't see it, but we do...)

Nashville: How's your new butt doing?

Ry: It's crazy. It beat up a shopper at the Empire State Building

Dod: It did?

Ry: Yeah. Having a butt for a pet is a lot harder than I thought it would be.

Snizzy: WHAT WAS THAT!!!!?

Ry: April. I think he broke something

(The garage is a mess)

Ry: APRIL! How could you!? I knew I... April?! How did you get so huge?!

April: (Arnold Schwarzenegger voice) I am going to destroy you!

Ry: AAAAAHHH!!!!!!!

(April runs toward them. Ry calms down and get angry while holding a bucket of water, but April destroys it.)

Nashville: Whoa!!

(April chases Nashville)

Nashville: Help!

Coach Squidward Pheekers: Oh, boys, I'm...

(April kicks Coach Squidward Pheekers into the wall and crushes his body before eating it.)

Snippy: Coach?! Oh, no! They killed Coach!

Ry: Bad April! I'll spank you if I didn't have the...

(Ry gets an idea)

Ry: Inator! Hey, Inator! I wish for an infinite amount of wishes, and my butt to go back to normal!

Inator: I know what you snuck in there. Your wish will not be accepted. Bye-bye. Shutting down.

Ry: No!!!!

Nashville: So Ry's butt will be like this FOREVER?!

Ry: I guess.

Nashville: This is horrible!!!

Ry: I gotta call someone!

(Ry takes the phone and dials 9-1-1)

Operator: 911, what is your emergency?

Ry: Help! This is an emergency! My butt is going crazy! It's on a killing spree! Help me!!!!

Operator: Can I have your address, Ry?

Ry: Uhhhh.

Operator: Never mind!

Ry: The paramedics are coming!

Nashville: What do we do?!

Ry: HIDE!!!! And whatever you do, do NOT make a sound!

(Everyone's hidden)

(Operator comes in)

Operator: Hello, where is everyone?

(Cut to a closet)

(Operator opens a door)

Nashville: Oh, it's you!

Operator: You should never hide in a closet during a fire.

Nashville: We're not hiding from a fire, we're hiding from...

(April comes in)

Nashville: AAAAAGGGGHHHH!!!!!!! THAT!!!!!!!!!!

(April runs out of the room. Shoots lasers at Gorga's cage, nearly killing him.)

(Gorga squawks loudly.)

Operator: I'll handle this! I'll make an antidote!

(Operator runs to the lab)

Operator: 2 cups of flour, 1 stick of butter, a squirt of honey, ketchup and syrup, salt, sauerkraut, wish to share sauce, and last but not least rye.

Snippy: How's it holding up in there?!

Operator: I'm almost done! I just need rye!

(Beat)

Ry: You need ME?!

Operator: No! Rye! Like Rye bread. It's used to make pumpernickels.

Pumpy: Welp, guys. I'm gonna help her.

Harry: Pumpy, what are you doing?!

Pumpy: Operator needs me.

Harry: Pumpy, no! We can buy some more pumpernickel bread.

Pumpy: Ok.

Dod: Umm, Harry, Pumpernickel Bread costs 15 dollars.

Pumpy: Welp, this is it. Even if I'm dead, I'll still be with you.

Harry: (tearfully) I'll never forget you!

(Pumpy jumps onto the table)

Pumpy: Bye, everyone.

(Pumpy sacrifices himself into the antidote.)

(The antidote is complete. April drinks it and becomes Ry's butt again!)

Everyone: Yay!

(Later)

Harry: It sure was fun while it lasted. I'll just always remember...

Pumpy: Hey, guys.

Harry: Pumpy! You're alive!

Pumpy: Am I ever.

Harry: I am so glad.

Salesman: Ooh, a pumpernickel bagel! Thanks!

Harry: NO!!

(The salesman eats the bagel)

(The salesman burps)

Harry: NOOOO!!!!

(Harry commits suicide)

(THE END)
